# 1. Safety

To reduce the risk of fire, electric shock or injury please read the following documentation carefully.

Secure Alven to the floor using screws and bolts according to local rules/ building standards to avoid tilting accidents.

Do not look directly into the Alven lamp. It is brighter than a normal lamp and may cause discomfort.

Suitable for indoor use only.

1. The Alven System can be used by people with reduced physical, sensory or reasoning capabilities, or lack of experience and knowledge, only if they have been given supervision or instruction by a responsible person concerning use of the light in a safe way and understand the hazards involved.

All cleaning and maintenance of the system must be performed by adults.

2. Alven is not a toy. Please take extra care when the system is in use near children.

3. Ensure the system is fully assembled according to the instructions before use.

4. Suitable for indoor use only 0°C (32°F) - 40°C (104°F).

5. Use only as described in the Alven User Manual. If assistance is required, please contact BrainLit support.

6. If Alven is faulty or does not work correctly due to any type of external factors such as low/high temperatures, exposure to water or other damages, turn off the system and contact BrainLit support.

7. If a service or repair is needed, please contact BrainLit support. Do not attempt to repair or alter Alven yourself unless you have received specific instructions from the BrainLit support team.
8. Do not handle any part of Alven with wet hands.
9. Do not use Alven if any cables or plugs are damaged.
10. Do not place Alven where cables can pose potential safety hazards in its surroundings, such as where cables may come in contact with hot surfaces or cause trip accidents.
11. Do not cover the cables.
12. Take care when unplugging Alven. To unplug, grasp the plug, not the cable.
13. Unplug from socket when not in use for extended time periods.
14. Do not use near furnaces, fireplaces, stoves or other high temperature heat sources.

## 2. Warranty

Alven comes with a 1-year warranty which is valid from the time of purchase or date of delivery if this is a separate date.

The warranty **covers the following:**

1. The repair or replacement of your Alven system (at BrainLit's discretion) if it is found to be defective due to faulty materials, workmanship or function within 1 year of purchase or delivery (if any part is no longer available or out of manufacture BrainLit will replace it with a functional replacement part).
2. Please note that the warranty will only be valid if Alven is used in the country in which it was purchased.

The warranty **does not include:**

1. Damage caused by insufficient maintenance.
2. Accidental damage, faults caused by negligent use or care, misuse, neglect, carelessness or operation or handling of the light which is not in accordance with this user manual.
3. Use of the Alven system for any other purpose than for what it is designed for.
4. Use of parts not assembled or installed in accordance with the instructions in this user manual.
5. Use of parts and accessories which are not provided by BrainLit.
6. Faulty installation (except where installed by BrainLit).
7. Repairs or alterations carried out by parties other than BrainLit or authorized BrainLit partners.
8. Normal wear and tear (e.g. fuse etc.).

*If you have any questions regarding your warranty, please contact BrainLit support.*
