

# LOKE Pendant UP/Down 120

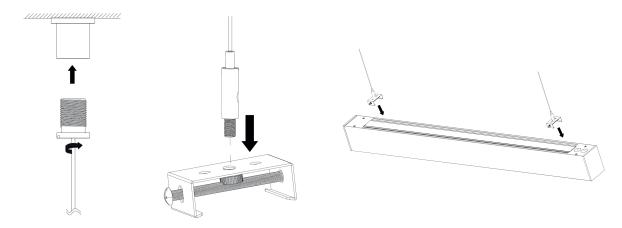

# Mounting

LOKE can be mounted directly to the ceiling or to the T-bars of a suspended ceiling using the included T24 T-bar clips

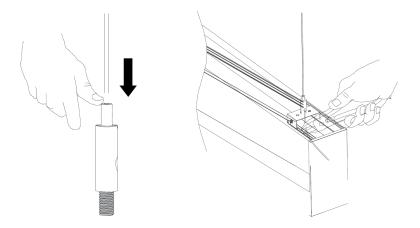

# Mounting with T-bar clip 1.) Secure T-bar clip to T24 profile in the suspended 2.) Attach the mounting stud to the bolt on the T-bar clip

**3.)** Fasten the threaded wire fitting to the mounting stud. Attach the other end to the luminaire bracket. Attach luminaire bracket to luminaire and secure it by fastening the screw.

**4.)** Adjust luminaire height and cut wire to appropriate length, leaving room for future adjustment. Remaining wire can be placed in the slots next to the top side light source

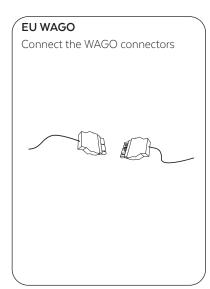

- **5.)** Perform the electrical installation according to standards and regulations in your region (see page 3: "Electrical installation")
- **6.)** Use zip-ties to secure the power cable to the suspension wire

## **Electrical Installation**

Disconnect power before installation, maintenance or service.

### **EU Terminal**

Remove WAGO connector from cable. Internal wires are color

coded:

Neutral (N): Blue Line (L): Brown

Protective ground (\_\_\_\_): Green

DA+: Grey DA-: Black

DALI is polarity insensitive.

**Light source energy class**: C

User replaceable light source: No

### Warning

- Disconnect or turn power off before installation, maintenance or service.
- Installation requires knowledge of luminaire's electrical systems. If not qualified, do not attempt installation. Contact a qualified electrician.
- Brainlit's luminaires must be installed in compliance with international wiring regulations (EN, IEE, NEC etc.).
- · Secure luminaire compatibilty with input voltage and frequency.
- To prevent wiring damage or abrasion, do not expose wiring to edges of sheet metal or sharp objects.
- Risk of fire or electric shock. Keep combustible and other inflammable materials away from lamp/lens.

- The luminaire is not suitable for covering with thermally insulating material.
- Do not operate in close proximity to persons, inflammable materials or substances affected by heat or dying.
- Wear gloves and safety glasses when removing luminaire from carton, installing, servicing or performing maintenance.
- Do not touch enclosure or light source.
- · Allow lamp/luminaire to cool down before handling.
- The connecting cable is not waterproof.
- · No user serviceable parts inside of luminaire.
- · Luminaire to be independently supported to building structure.
- · Avoid direct eye exposure to light source when luminaire is on.
